### Questionnaire for cats with inappropriate elimination problems

\* Please evaluate each available litter box and indicate how the cat responds, if differently, to any of the boxes (i.e. urinates in one, defecates in another, does not use).

	Box 1	Box 2	Box 3	Box 4
Number of boxes available for cats?				
Covered box?				
Box size?				
Box location?				
Depth of the box				
Liners used?				
Scented litter?				
Type of litter?				
Frequency of changing litter?				
Frequency of washing box?				
Deodorants and cleaning products used on box?				
Number of cats sharing box				
*Cats' response to each box?				

Describe how your cat behaves in the box. (balances on the edge, digs a lot first, covers stool, stands inside box but urinates over the edge.) \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Does your cat eliminate in the presence of people or other pets? \_\_\_\_\_

Does your cat immediately use a freshly cleaned litter box? \_\_\_\_\_

Any change with your cat covering or not covering urine or stool? \_\_\_\_\_  
\_\_\_\_\_

Does your cat ever vocalize when he/she eliminates? \_\_\_\_\_

Does your cat ever spray urine against the back of the covered litter box or wall behind the box? \_\_\_\_\_

Does your cat ever eliminate in the shower, tub or sink? How often? \_\_\_\_\_  
\_\_\_\_\_

Does your cat go outside? If so how often and for how long? \_\_\_\_\_  
\_\_\_\_\_

Have you noticed any stray or outdoor cats around your house? \_\_\_\_\_  
\_\_\_\_\_

Please include a diagram of your house lay out, indicating litter box placement, areas of inappropriate elimination, eating and sleeping areas.
